Monthly Management Data Activity Report August 2016

Version 1.0

Please note that the data within this report is subject to ongoing validation procedures to ensure accuracy. Previously published figures where estimates may have been used for reporting purposes, will be replaced with a revised version (e.g. where full accurate figures are now available). The most current published monthly report contains the latest data for current reporting month and all months previous.

Please note that from 2015 the number of children who on the last day of the reporting period who are in a respite care (from home) placement previously counted within the children in care figures are now collated separately. Therefore comparison with the outturn for 2014 is not applicable.

¹ Please note that for January 2016 there were 14 children on the last day of the month who were placed in one of the three special care facilities. It should be noted however that there were 15 children on the last day of January who were subject to a Special Care Order of the High Court and one of these children were in a transitional step down placement.

² Please note that for January, February and March data for children in respite care from home for Donegal was amended following validation process. Data was also amended for Sligo Leitrim West Cavan for February and March also following validation.

³ Please note that for April 2016 there were 11 children on the last day of the month who were placed in one of the three special care facilities. It should be noted however that there were 12 children on the last day of April who were subject to a Special Care Order of the High Court and one of these children were in a detention centre on the last day of April.

⁴ Please note that for May 2016 there were 9 children on the last day of the month who were placed in one of the three special care facilities. It should be noted however that there were 11 children on the last day of May who were subject to a Special Care Order of the High Court and one of these children were in a detention centre on the last day of May the second placed in a residential general setting.

⁵ Please note that for June 2016 there were 11 children on the last day of the month who were placed in one of the three special care facilities. It should be noted however that there were 12 children on the last day of June who were subject to a Special Care Order of the High Court and one of these children was in a detention centre on the last day of June.

⁶ Please note that the July data for Galway Roscommon for children in care in a Foster Care General placement (also Care plan and social worker) since the publication of the July MDR has been amended in this document following on from a validation process.
