Please note that from 2015 the number of children who on the last day of the reporting period who are in a respite care (from home) placement previously counted within the children in care figures are now collated separately. Therefore comparison with the outturn for 2014 is not applicable.
 * Please note that for January 2016 there were 14 children on the last day of the month who were placed in one of the three special care facilities. It should be noted however that there were 15 children on the last day of January who were subject to a Special Care Order of the High Court and one of these children were in a transitional step down placement.
