Monthly Management Data Activity Report September 2015

Version 1.0

Please note that the data within this report is subject to ongoing validation procedures to ensure accuracy. Previously published figures where estimates may have been used for reporting purposes, will be replaced with a revised version (e.g. where full accurate figures are now available). Please refer to the cover sheet to advise of the latest version.

¹ Please note that for 2015 the number of children who on the last day of the reporting period who are in a respite care (from home) placement previously counted within the children in care figures are now collated separately. Therefore comparison with the outturn for 2014 is not applicable.

² Please note that for April 2015 there were 15 children in care who were placed in a special care residential setting. The Special Care referrals Committee record that on the last day of April 16 children were subject to a Special Care order of the High Court; however for reporting purposes 1 of the 16 were placed in a residential general placement on the last day of the month

³ Please note that for May 2015 there were 16 children in care who were placed in a special care residential setting. The Special Care referrals Committee record that on the last day of May 17 children were subject to a Special Care order of the High Court; however for reporting purposes 1 of the 17 were placed in a residential general placement on the last day of the month
