CU2026076	Journalist	1. Please supply records of minutes of any briefings prepared for the board, or chair of the board, and the SQC Services Quality Committee, related to SEAs. 2. This request to cover the period from 1st January 2026 up to the present time.	Refused
CU2026077	Journalist	1. Any audits signed off on by the board or audit committee since 1 January 2026-present. 2. A copy of any briefings, investigations, assessments, analysis or reports [excluding audits] requested by or commissioned by the Secretary General / Chief Executive or the Board or Minister(s) which were finalised/completed since 1 February 2026 (and have not been publicly released)	Refused
CU2026078	Journalist	1. I request data relating to the number of children who have been reunified with their families, meaning returned home from State care, for each of the past five years from 2020 to 2025. ○ I would like this information provided as annual national totals and, where available, broken down by region.	Part Granted

		○ I also request any definitions or criteria used by Tusla when classifying a case as reunification. If reunification is not recorded as a standalone category, ○ I ask that you provide any equivalent data, including reasons for children leaving care. 2. I am seeking information on the use of Special Emergency Arrangements or Special Emergency Accommodation over the same five-year period. ○ This should include the number of children placed in such arrangements annually, along with the most recent available snapshot figure. ○ If recorded, I also request details on the average duration of time children spend in such placements, as well as any available breakdown by age, gender, or region. 3. I further request national figures for the number of children in care for each year between 2020 and 2025, ○ Including a breakdown by placement type such as foster care, residential care, and emergency or other arrangements. ○ I would also like to receive figures showing the number of children entering care and leaving care each year. 4. To assist in providing a fuller understanding of the system, I also request any available data on the number of children experiencing multiple placements within a year, ○ the number of children placed in unregulated or emergency accommodation, ○ Any information on waiting lists for residential placements. ○ I am also seeking access to any internal reports, briefings, or audits relating to capacity pressures, placement shortages, or outcomes for children in care.
