

Parenting Support Champions!

TÚSLA

An Ghníomhaireacht um
Leanaí agus an Teaghlach
Child and Family Agency

Project Plan

Parenting Support Champions Project
Supporting the implementation of the
Parenting Support Strategy (PSS) to
improve outcomes for families

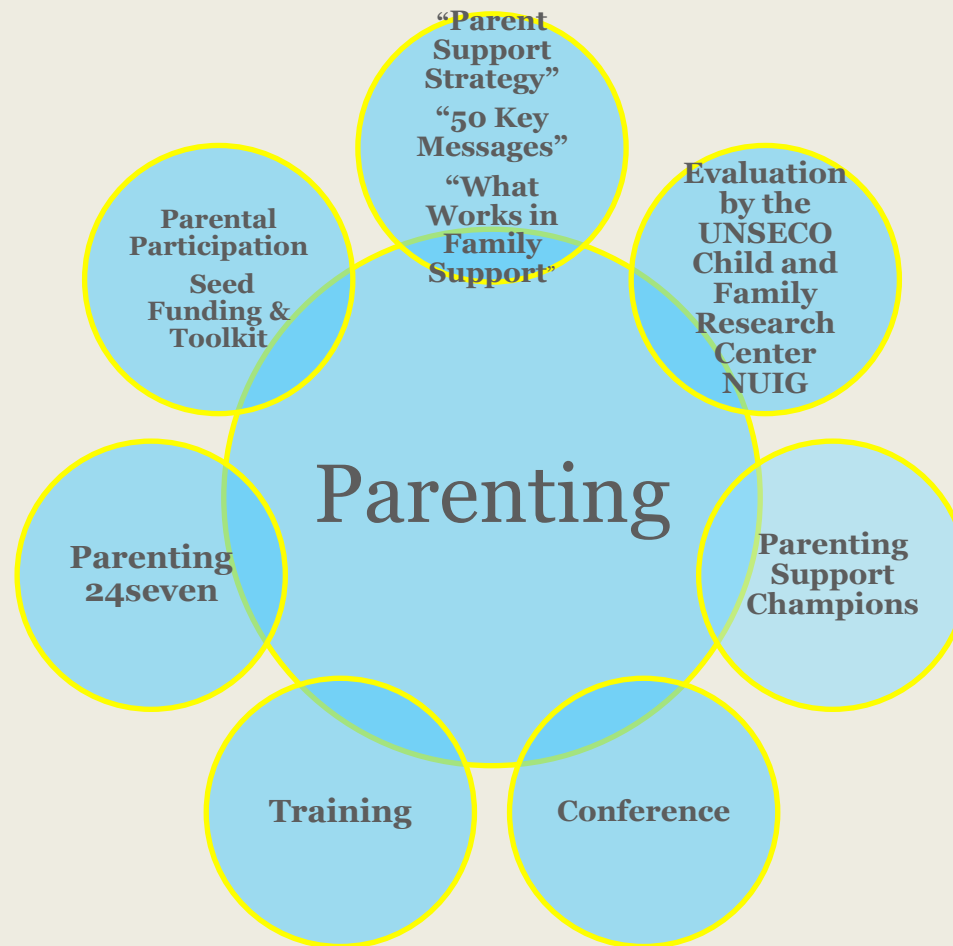

An Ghníomhaireacht um
Leanaí agus an Teaghlach
Child and Family Agency

Parenting Support Strategy

Strategic Outcomes

1. Parenting support is integrated into the work of Tusla and partners and is included in **local service planning and practice**.
2. Tusla and partners are **using evidence** to inform effective parenting support.
3. **A range of parenting supports are available** across the lifecycle that are accessible and friendly.
4. Parenting supports provided are **engaging and participatory**.

Parenting

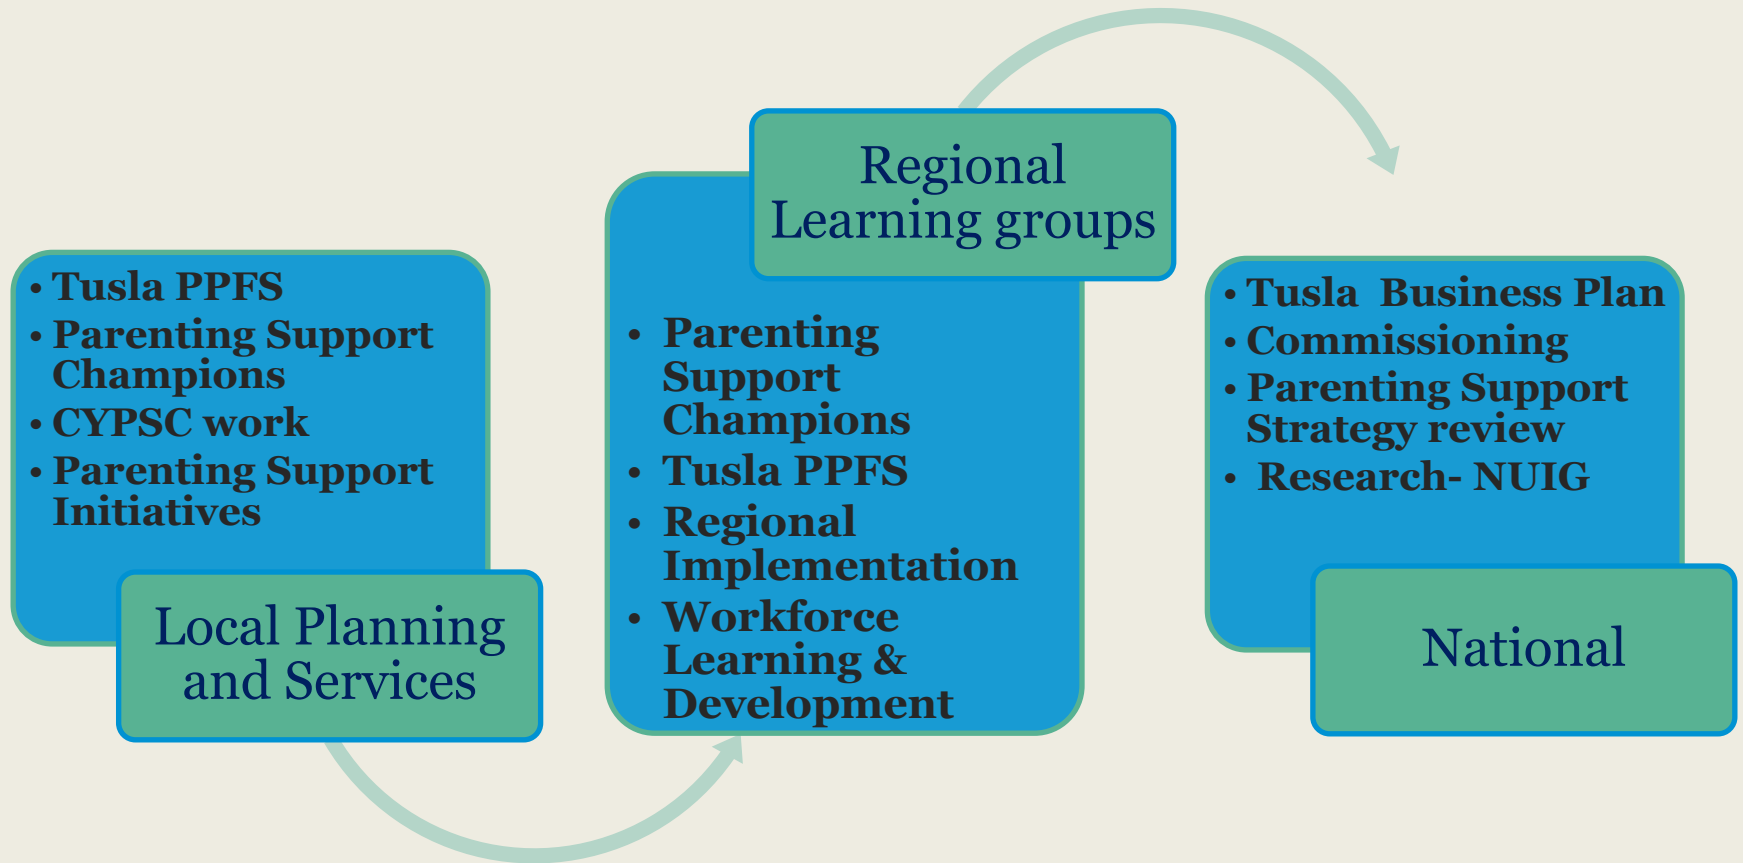

Parenting Support is integrated into the work of Tusla and Partners and included in local service planning and practice

Parenting Support Champion Checklist:

- Is there strategic planning for providing supports and services on parenting in your area?
- If yes, what does it look like? (CYPSC / Child and Family Support Network?)
- Are you involved in this process?

Tusla and Partners are Using Evidence to Inform Effective Parenting Support

Parenting Support Champion Checklist

- Are practitioners in your area promoting an evidence informed approach to supporting parents and parenting?
- *(Are Parenting Supports & Services using the best available evidence from research about ‘what works’ in parenting ?; Are practitioners sharing messages from Parenting24seven with parents and colleagues?)*
- If yes, what does it look like? If no, what supports does your area need in order for this to take place?
