

TAKE PART IN BOTH AWARDS AT THE SAME TIME!

Did you know that young people who are taking part in the **Child & Youth Participation Award (CYPA)** can also do their **Gaisce Award**?

As organisations that are focused on encouraging the active inclusion of young people to bring about a positive change, Gaisce – The President's Award and the CYPA have teamed up to highlight that the project completed for the CYPA can also count towards at least one challenge area of the Gaisce Award.

So, if you are in an organisation that is looking to get your CYPA, get recognition for the work that you're doing by becoming a Gaisce President's Award Leader and offer it to your young people aged over 13. Find out more about becoming a Gaisce President's Award Leader [here](#).

Working together to encourage the active inclusion of young people in Ireland.
