

Regional Chief Officer (2 Positions)

Tusla - Child and Family Agency was established on 1st January 2014 and is responsible for a range of statutory functions including the provision of child protection, alternative care, specified regulatory services and a range of family support services. The Agency has commenced a major improvement programme with significant focus on Practice, Culture and Structure. The organisation has some 5,000 people in 320 locations delivering a range of complex protection, care, support and regulatory functions to and for children and families across the country. All of the functions of this State Agency are established in law and are essential public services.

The Agency has commenced a major improvement programme with significant focus on Practice, Culture and Structure. A new Executive Management Team and Regional structure is being implemented in the Agency to commence in January 2022. Permanent posts are to be filled in this major change programme. Applications are now invited from suitable qualified people for the posts of:

Regional Chief Officers (2 positions available)

Tusla South West (Cork & Kerry)
