Tusla Education Support Service

A photograph of three young children in a science laboratory. They are wearing white lab coats and clear safety goggles. The child on the left is holding a test tube with a green liquid. The child in the middle has their hands clasped together, looking up with a smile. The child on the right is also looking up, with their hands near their face. In the background, there are shelves with various lab equipment and a yellow container. The overall scene is bright and educational.
